### THE "FRIENDLY FACES" of THE OZARKS METHODIST MANOR

*these pictures were taken from the Summer 1996 & Fall 1996 Manor Newsletters*

**Alma Dennis** is just one of the many friendly residents you will meet here at The Manor. Alma and her husband Loy moved to Marionville in 1991. Alma began working here in housekeeping, then later in laundry. In their spare time, Alma and Loy began volunteering at The Manor two times a month, increasing to five times a week providing music, bingo, bible study, movies, and even a "Coffee Cart" on Saturdays for Health Center folks to enjoy. When asked "How do you do it?" they replied "the Lord supplies as we yield and enjoy!" Alma was voted as "Employee of the Month" in November 1996, and several more times in the course of her career. Alma's husband Loy went to be with his heavenly Father in 2008 and she continued to work, retiring from The Manor in 2014 after 23 years of service. When the time came that Alma decided to move to a retirement community, she came to our Residential Care Apartments. When asked why she chose The Manor, Alma said "Because this place was just HOME. I love living here because everyone is so caring and it's just love!" Alma's smile can brighten even the darkest day, and we're blessed she's been a part of our Manor family since 1991, first as an employee and volunteer, and now as a resident!
