Caregiver of the Month

Congratulations Kendra Mace,
Certified Nursing Assistant

Kendra is a devoted employee that cares about the residents and her peers. She works hard to be an effective CNA Mentor. "Kendra is very dependable and has an infectious, bubbly smile. The residents find her to be respectful, loving and kind" states Wayne Rainey, Manor Administrator.

Thank you, Kendra, for ALL you do! Congratulations!

THE "FRIENDLY FACES" of THE OZARKS METHODIST MANOR

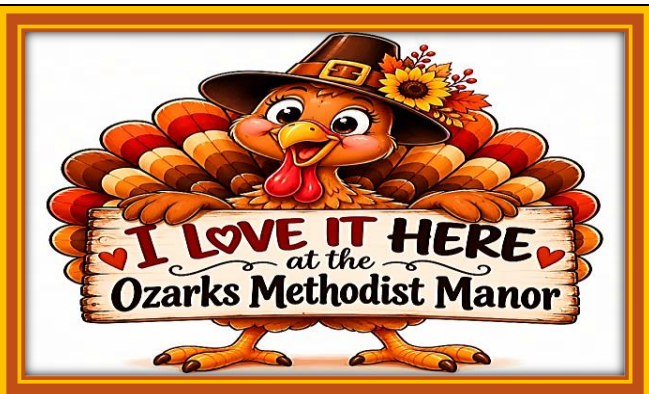

Margaret Nichols is just one of the many friendly residents you will meet here at The Manor. She and her husband Dean moved into our Independent Living homes in December 2005. They loved the active lifestyle and enjoyed being able to travel with their camper knowing their home at The Manor would be well cared for while away. Plus having all levels of care available right here should any future health care needs arise gave them peace of mind. When Dean passed away unexpectedly in 2011, all the support, assistance, and solace Margaret received in our Manor community was a blessing to her.

In 2019, Margaret moved into our Residential Care apartments when encouraged by two other resident friends. An apartment came available that was a perfect fit, spacious enough even for her piano. "It was a God thing," Margaret said. "I knew the time was right and it was meant to be."

Margaret leads chair yoga in our Manor Alice Lounge three mornings a week, plays the piano for bible studies and worship in the Health Center, and enjoys many activities available for our residents to choose from. "Since I no longer drive myself, the Manor transportation is a big benefit for me," Margaret explains. "And I love all the wonderful friends and fellowship we have here together. I know down inside that The Ozarks Methodist Manor is the home where I belong!"

The Manor Library Corner

The apartment bookshelves are available to all residents both at the Manor and those living in the Independent Living Cottages. **Apartment bookcases are located on Wesley Smith Hall & Delozier 1, 2 & 3.**

Please browse the most recent large print titles in the resident apartment bookcases. The library's large print section continues to grow due to both resident donations and acquisition at various other libraries, book sales, and trade with used bookstores. Other new large print titles are located on the top shelf of the large double bookcases to the left of the return desks in the basement library.

Recently donated standard print titles are located in the tall bookcase immediately to the right of the downstairs library entry door. Large print books are rotated between the downstairs library and the apartment bookcases to provide both convenience and a variety of titles to choose from.

There is no sign out required or any due dates for our books. Take what interests you and return it when you are done for others to enjoy.

News from "The Green Room" (a.k.a. The Sweat Shop)

Our Sweat Shop ladies are still hard at work making and donating quilts to our Manor Health Center. Around 300 quilts have now been given as a service of love. "What better way to give the residents' rooms a home-like feel" explains the founder of the Sweat Shop, Pat Biles.

Thank you, ladies, for your servant hearts!

With Respect on Veterans Day, November 11th

Veterans Day is a time for us to pay our respects and show our gratitude to those who have served.

For one day, we stand united in respect for ALL our veterans who have served in the U.S. military—in wartime or peacetime, living, or deceased.

Military men and women who serve and protect the U.S. come from all walks of life; they are parents, children, grandparents, friends, neighbors, peers, and are an important part of their communities.

We wish to honor ALL veterans; and to thank and recognize our veterans who live in our Community at The Ozarks Methodist Manor!
